

ENSP Advising - Fall 2020

Concentration	How will advising be handled?	Other instructions
"Undeclared" in ENSP	Virtually. Options are: Email, Phone, Zoom, Google Hangout (video call or G-Chat)	Students can email Angela Mazur-Gray directly (abm13@umd.edu) or make a virtual appointment at https://enspadvising.youcanbook.me/
Biodiversity & Conservation Biology	Virtually via email or Zoom.	For general advising please email Dr. Lombardi at SaraL@umd.edu . Prior to Spring 2021 registration, Dr. Lombardi will send an email with a link to Setmore to schedule pre-registration advising meetings (including block removals).
Culture & Environment	Virtually via email, WebEx, or Zoom.	Faculty Advising: Email Dr. Shaffer at lshaffe1@umd.edu for appointment. Academic Advising (Block Removal, Degree Audit Review, etc.): Email Erik Hanson for an appointment at ehanson@umd.edu
Environmental Economics	Virtually, via email or Zoom	Email Dr. Olson at ljolson@umd.edu to make an appointment and include an updated 4-year plan.
Environmental Geosciences & Restoration	Virtually, via e-mail, phone, or Zoom	ENSP-EGR students are part of the Geology undergrad listserv. They should expect to be contacted via the listserv with instruction on making an advising appointment. No worries.
Environmental Politics & Policy	Virtually via email, phone, or Zoom	Faculty Advising: To schedule an appointment please email Professor Isabella Alcañiz @ ialcaniz@umd.edu Right now, the best way to schedule an appointment is via email: rvierlin@umd.edu
Global Environmental Change	Virtually via email, phone, or Zoom.	Faculty Advising: email Academic Advising (Block Removal, Degree Audit Review, etc.): Book an appointment with Amanda Hoffman-Hall at www.ter.ps/geogadvising
Land Use	Virtually via email, phone, or Zoom.	Faculty Advising: email Academic Advising (Block Removal, Degree Audit Review, etc.): Book an appointment with Amanda Hoffman-Hall at www.ter.ps/geogadvising
Marine & Coastal Management	Virtually via email, phone, or Zoom.	Faculty Advising: email Academic Advising (Block Removal, Degree Audit Review, etc.): Book an appointment with Amanda Hoffman-Hall at www.ter.ps/geogadvising
Soil, Water, & Land Resources	Virtually. Request advising via email, then set a time for a Zoom meeting.	Email Dr. Hill at rlh@umd.edu . Be mindful of the documents that should be provided prior to your advising meeting
Wildlife Ecology & Management	Virtually, via e-mail, phone, or Zoom	Email Annette Spivy @ aspivy@umd.edu to make an appointment and please include an updated 4-year plan.
